

Family Club

Nominations Wanted Now!

Action for Children Family Club is an opportunity to target families who need additional support. We work with parents and their children together in a safe, friendly environment where they can join in structured activities that encourage **positive family relationships**.

Family Club is structured and every week families will join in with a group activity and then eat together to role model positive communication and interactions with each other.

Family Club runs for 6 weeks

If you would like more information or are interested in nominating a family please register your interest by emailing responsivegroups@actionforchildren.org.uk

Some quotes from our previous Family Club;

'I liked everything. The food, the activities, the games.'

'I made friends at Family Club and we were able to sit together on a table and have our meal with our children.'
