

# Y4 - Walbottle Village Primary School – Spring 2 HOMEWORK

<p><b>Reading:</b>  <b>Our class novel is: Charlotte's Web</b>                  Please bring your reading book and record into school every day. Ensure all reading at home is logged in your reading log. When reading for pleasure at home, this can also be logged. At school, we read with every child at least a fortnight in shared reading and those who need to be read with more regularly read 3 times a week  <b>Reading logs will be checked regularly in school and reading books are changed when needed.</b></p> 		<p><b>Maths:</b>                  Continue to practise basic skills to gain math badges during Friday's assembly.  <b>BLUE and RED – number bonds to 20 and 20</b>  <b>GREEN – x2, x5, x10 timestables and division facts</b>  <b>BRONZE – x3, x4, x8 timestable and division facts</b>  <b>SILVER – x6, x7, x9 timestable and division facts</b>  <b>GOLD – x11, x12</b>  <b>PLATIUM – special numbers (squares, primes etc)</b>                  I am working towards my _____ badge.                  You can practise these on maths shed.</p>		<p><b>Creative Topic Project:</b>                  We are learning about Food from around the World.</p>  <p>You can create any project you wish. This may be a writing project, a presentation or making a model or piece of art. Please ensure any projects are in school week commencing</p> <p><b>The children will have chance to show their projects during the last week of term.</b></p>	
<p><b>Spellings and multiplication facts:</b>                  Spellings and multiplication facts are tested every Friday (please see lists and dates below).  <b>Y4 Multiplication Check</b>                  In June, the children in every Y4 class in the country will sit a multiplication check where they will be tested on quick multiplication recall (up to 12x12). Please allow your child time to practise at home using the following link:  <a href="https://www.timestables.co.uk/multiplication-tables-check/">https://www.timestables.co.uk/multiplication-tables-check/</a>                  Your child should be getting over 20 out of 25.</p>					
<p><b>28<sup>th</sup> March</b>                  accidentally                  actually                  address                  answer                  appear                  arrive                  believe                  bicycle                  breath                  breathe</p> <p>x 8 tables</p>	<p><b>4<sup>th</sup> April</b>                  build                  busy                  business                  calendar                  caught                  centre                  century                  certain                  circle                  complete</p> <p>x 8 tables</p>	<p><b>11<sup>th</sup> April</b>                  consider                  continue                  decide                  describe                  different                  difficult                  disappear                  early                  earth                  eight</p> <p>x7 tables</p>	<p><b>2<sup>nd</sup> June</b>                  enough                  exercise                  experience                  experiment                  extreme                  famous                  favourite                  February                  forward                  fruit</p> <p>x 7 tables</p>	<p><b>9<sup>th</sup> June</b>                  grammar                  group                  guard                  guide                  heard                  heart                  height                  history                  imagine                  increase</p> <p>x 9 tables</p>
