

Welcome!

Welcome back to school! I hope that you enjoyed the break and that the Easter Bunny hopped by!

Literacy

We will begin this term by doing a unit on writing dialogue and instructions. Our unit of work will be inspired by 'Where the Wild Things Are' by Maurice Sendak.

We will read every day. This will be on a one to one basis three times a week and at a shared reading session four times a week. Your child will read with us in school and bring sounds and reading books home to share with you. Please sign their reading log, adding any comments where appropriate.

Your child will be given spellings on their homework sheet and they will also be available on 'Spelling Shed'. If you need another copy of your child's password, please let me know.

Numeracy

In maths, we will be learning about multiplication and division. Keep practising those number bonds to 10 at home so that you can attempt to win your 'Bonds to 10' badge or even your bonds to 20!

Science

Seasonal Changes – Spring and Summer:

In this unit, the children will review their understanding of the four seasons then focus on Spring and Summer. Through this they will observe seasonal weather and changes around them. They will also learn about changes for wildlife through the spring and summer

Information

Please use Dojo to keep up to date with any news and to send a message if you need to ask me anything. Information about Year 1 will also be found on the school website in the class section.

Foundation Subjects

Please see the school website for further details about this term's learning in art, DT, history, geography, RE, PE, PSHE and music

Year 1
Curriculum Booklet

Things to remember...

- Please send your child into school wearing their PE kit every Wednesday and Friday
- Send your child's reading folder in every day.
- Please sign and make a comment in your child's reading log whenever you read with them.
- You will receive a homework sheet every half term.

Thank you for your support at home!

Summer 2026
