Dear Families and Board Members,

Welcome back after what was a lovely half term break. Weren't we lucky with the weather?

Hopefully the warm weather will stay with us. We do like to use our outdoor space as much as possible so please send your child into school each day with a water bottle, sun hat/cap and wearing sun screen.

Summer events

We have lots of lovely things to look forward to in this final half term. The children are starting to prepare for sports day in their PE lessons and Miss Baird is busily organising our summer fayre; this will be held on the afternoon of 8th July. We will be having our usual bottle tombola and raffle on the day as well as activity stalls for the children, a pre-loved stall and a bouncy castle.

We will be holding a non-uniform day on 26th June in exchange for a bottle donation for our tombola.

If you have any toy or book donations for our pre-loved stall, we will be welcoming any donations from Monday 29th June.

We are also gathering raffle prizes and will be sending out raffle tickets for you to buy soon. If you know of any local businesses that would be willing to donate a prize, please let the school office know. Some of the prizes we have secured so far include:-

Various bottles of spirit
3 month gym membership
Private table and bottle at Tup Tup
Family pass for Bamburgh Castle

Thank you so much for your continued support.

Sports Days

We know that our Sports Days are popular events so please make a note of the dates for your diary. These will take place on 10th July for children in year's 1 and 2 and 15th July for children in nursery, reception and year's 3-6.

Year 1 ceramic workshop

The children in year 1 had a wonderful time yesterday when they welcomed a special visitor into their class. Mrs McEvoy is a ceramicist. The children created some wonderful pieces of artwork that they feel incredibly proud of – and rightly so. They are all very excited to take them home.
